

Smoke End™ Tobacco Smoke Odor Neutralizer System

Penetrating “Surface Spray” & 30 Day Fan Freshener Refill

Smoke End™ is a Target Specific™ odor neutralizer specially formulated to eliminate odors caused by the unique chemical components of tobacco smoke. Smoke End™ instantly neutralizes tobacco smoke odors in ash trays, cigarette urns and waste cans. Smoke End™ also removes lingering smoke odors from soft furniture, walls, ceilings, draperies, clothing, automobile headliners, etc. Smoke End™ may be applied with trigger spray bottles, pressure sprayers or added to water base cleaning solutions.

Smoke End™ features and advantages:

- Specifically formulated to instantly neutralize tobacco smoke odors.
- Penetrates porous surfaces to reach the source of lingering smoke odors.
- Effective against all types of smoking odors including cigarettes, cigars and pipes.
- Apply full strength or add to light duty water base cleaning solutions.
- Pleasing Neutral fragrance.
- Economical to use.
- V.O.C. compliant.

Suggested uses:

Smoke End™ is ideal for use in smoking areas and designated non-smoking areas in hotels, office buildings, health care facilities, restaurants and taverns. Smoke End™ is the product of choice for removing lingering tobacco smoke odors from porous surfaces such as draperies, carpets, clothing, acoustic ceiling tiles, automobile headliners, etc.

Smoke End™ is one of more than 350 Target Specific™ odor counteractants developed by Surco Products, Inc. Unlike “all-purpose” masking agents, each Target Specific™ product has been proven effective for use against a specific malodor type.

Use Smoke-End™ fan refill in battery-operated dispensers in conjunction with Smoke-End™ surface spray for a continuous 30-day smoke odor control system.

Directions for use:

TEST SURFACES IN INCONSPICUOUS AREA BEFORE APPLICATION.

1. Apply Smoke End™ to primary odor sources such as ashtrays, cigarette urns and waste cans.
2. Apply Smoke End™ to secondary odor sources such as air conditioner/heating vents, filters and porous surfaces such as draperies, carpets, walls and ceilings, car upholstery and headliners.
3. Smoke End™ may also be added to water base cleaning solutions at the rate of 16-32 oz. per gallon.

See label for complete safety and use directions.
